

# **Guild of Devonshire Ringers**

## **North East Branch Programme**

### **Introduction**

Welcome to the North East Branch Programme.

The Branch encompasses both Call Change and Method Ringing towers and ringers whose skills range from just starting out to real experts.

In putting together a programme the N-E Branch Committee has tried to accommodate everyone who wishes either to improve their ringing whilst remaining within their own discipline, or to move on to other things or to participate in something more challenging and of greater interest.

The following is a summary of Branch activities. Further details are given in the monthly sheets which follow.

### **Quarterly Meetings**

These take place on the first Saturday of January, April, July with the Annual General Meeting in October and all members are invited. They provide an excellent opportunity to ring at a different tower, remember why churches have bells and socialise with other members. The quarterly meeting in April and the AGM in October are business meetings and provide an opportunity to bring to the attention of the Committee any ideas for improving ringing or issues of concern. The quarterly meetings in July and January are social events.

### **6 Bell Practices**

These take place on the first Saturday, or the second Saturday when there is a quarterly meeting, of every month between 10.00 and 12.00 at different towers. Both call changes and methods are rung. The sessions are arranged by Richard Barker (contact details on monthly sheets) who would welcome prior notice of anything you would like to ring. They provide an excellent introduction to ringing at other towers.

### **Tower Outings**

A good day out and a chance to ring at towers outside the Branch.

### **Troyte Ringing Centre**

The branch is fortunate in having the Troyte Ringing Centre based on the towers at Huntsham and Bampton. In general Huntsham is the venue for courses, a monthly quarter peal and some advanced method ringing although this year there is an attempt to move away from Huntsham for the advanced ringing.

Bampton has a dumb bell and an ABEL simulator which is used for the initial training of new ringers, practice in doubles methods, and trying out compositions. Bampton also carries out training for other towers either at Bampton or at the tower requesting help.

### **Huntsham Courses**

Programme A – Call Changes. A two hour session every month on a Saturday morning from 10.00-12.00.

In addition there are a number of 'one off' practical courses and courses on bell ringing theory which are programmed as necessary. Keep an eye on the Troyte Ringing Centre website for further information.

### **Bampton**

Because training at or by Bampton is tailored to individual needs it does not appear in the Branch programme. However, if anyone thinks that Bampton can help please contact the Tower Secretary – Pat Hatchett on 01398 331843.

### **Guild Events**

See the Guild website.

## North East Branch Calendar of Events October 2017

Date	Time	Event	Venue*	Contact
Wednesday 4-Oct	19.30	Quarter Peal	Huntsham	Sheila Scofield (01884 256819 sheilascofield@hotmail.com)
