Help for Towers & Groups

BESPOKE TRAINING & PRACTICES Events can be arranged for tower bands or groups of ringers with the same needs, e.g. raising or lowering in peal or starting to plain hunt. These can be arranged to take place either:

- at the T.R.C.. where refreshments and light lunches can be provided. *or*
- in your own tower after consultation with your ringers about what the training is aiming to do and when it can best be done.

A key requirement is that the individual ringers in towers or groups can commit to attending the sessions which are arranged. Help from others can be arranged where a tower is short of experienced ringers. Courses can be run in the daytime or evening, weekdays or weekends, subject to the availability of tutors, the Centre bells and helping ringers. Please contact Les Boyce to discuss your requirements and the arrangements for meeting these.

Quarter Peals

Quarter Peals are an excellent way of getting extended practice for a particular method or several methods. We can arrange for an experienced band to ring with you to help you achieve your ringing targets. Quarter Peals normally are rung at Huntsham on the first Wednesday evening of each month. If you would like us to organise a quarter peal for you or at a date/time/venue convenient to you, please contact Sheila Scofield.

Peals

Like quarter peals, a peal attempt is a good way to get practice. The Troyte R. C. organises regular peals and anyone interested in ringing in one should contact Mike Hatchett.

Extended Practices

The number of students at our Extended Practices is carefully limited to ensure that all learners get a good opportunity for plenty of ringing. Where there is demand we may run extra events, so please get in touch to let us know your needs.

Extended Practices Aug - Dec 2018

SAT 18th August, 10.00-13.00 Call Change & Listening skills

This event is for ringers who wish to develop skills in the 'Devon Call Change' style. Improve your skills in ringing with rhythm, making 'clean' changes, listening & leading well. Opportunity will also be given to 'Call' Changes and have a go at judging striking.

SAT 29th September, 10.00-13.00 Kaleidoscope

To improve bell control in Call Changes and also designed for those who want to take first steps into method ringing by learning how to change the position of their bell both at Handstroke & Backstroke. Early development of place making & dodging. We regret we are unable to offer lunch after this event. Fee inc refreshments (no lunch): £4

SAT 10th November, 10.00-13.00 Raise & Lower in Peal for Call Change Ringers

If you are able to ring a bell up & down but struggling to do so in peal, then this is the course for you. A practical session with tips & understanding how to know if you are too high/low, near or far.

SAT 8th December, 10.00-13.00 Raise & Lower in Peal for Method Ringers

If you are able to ring a bell up & down but struggling to do so in peal, then this is the course for you. A practical session with tips & understanding how to know if you are too high/low, near or far.

Sat 15th December, 10.00-13.00 *reserved for a further event as needed*

N.B. - All the above dates/times are subject to change if there are weddings booked at Huntsham Church after initial advertisement.

All listed above will be held at Huntsham, Fee: £6 inc lunch for each event, unless stated otherwise.
If you wish to attend any of these events, please book a place with Les Boyce well in advance.
